Your success is our primary goal.

At 1st Financial Merchant Group, setting up a merchant account is simple. Our superior reliability, customer service policies and industry specific income generating products and services are why merchants large and small choose us as their credit card processing service.

Our unique Interchange Pass Through Pricing structure allows our clients to receive access to the LOWEST MERCHANT ACCOUNT RATES in the industry. Unlike our competitors, we do not hide behind the 3-Tier Pricing Structure, instead we will work with your company to reduce your rates and increase your profits.

Learn what 1st Financial Merchant Group can do for your business. From shopping cart software and eCommerce solutions to our ISO Agent program, our proven track record speaks for itself.

Through Integrity, Education and Exceptional service, we guarantee to be the last merchant account, credit card processor you will ever need.
